Note

66 PETITIONS

It was noted that no petitions had been received by the Council under Procedure Rule 18.

67 QUESTIONS FROM THE PUBLIC

The Council received and noted the five questions submitted by members of the public under Procedure Rule 15 and their written responses.

The following supplementary question was asked by Mr Mike Sims in response to the written answer provided to his question. We were assured that 98% of the Green Belt would be protected. Of the 2% of Green Belt land being built on in Penn and Mill End what percentage is being built on and is it fair that 30% of the new homes are to be built in Penn and Mill End.

It was clarified that until planning applications were submitted it would not be possible to provide an exact percentage for the amount of Green Belt that would be built upon should the site come forward for development. In addition, there were a number of planning restrictions associated with the sites detailed in the Local Plan Site Allocations which would further impact on any developments. Of the homes that were to be built it was proposed that 40% were to be affordable homes including a percentage that were to be classified as being Rent in Perpetuity.

In respect of question 3 it was noted that the written response contained a typographical error and the police's non emergency telephone number should have been stated as 101 not 111.

In respect of question 4 it was confirmed that it was not possible under the Council's Constitution for someone to ask a supplementary question on behalf of the original questioner. Notwithstanding this, it was agreed that if the original questioner's written supplementary question was forwarded by email then a response could be provided.

It was noted that the final sentence of the written answer to question 4 should have read 'I clearly do not want that to occur' instead of 'I clearly want that to occur'.

68 **FINANCIAL PLANNING**

Council considered draft budgets for the 2024/24 financial year proposed by the Liberal Democrat Group and the Green Group.

The Green Group's budget was proposed by Councillor Chris Mitchell and seconded by Councillor Narinder Sian.

The Liberal Democrat Group's budget was proposed by Councillor Keith Martin and seconded by Councillor Stephen Giles-Medhurst.

The Local Government Finance Act 2002 placed a statutory requirement on local authorities to set a balanced budget for each new financial year. It was acknowledged that whilst the authority was operating in a difficult economic environment in setting the budget for 2024/25 financial year it was planned that all services provided in 2023/24 would be maintained into the new financial year, something that prudent financial management over many years had made possible.

In response to concerns that increasing charges for parking and green waste collections would impact on local residents and could be considered to be a reduction in services it was reported that parking permit fees had not been increased for a number of years and had they been increased in line with inflation over this time then there would have been a much greater increase over the years. The original ambition for garden waste collections to be cost neutral still remained however rising fuel prices and increased staffing costs meant that progress towards this aim would be slower than originally anticipated.

It was clarified that the replacement of the Aquadrome bridge was being funded through Community Infrastructure Levy funding and as such could not be considered a revenue project.

Having debated both motions the Green Group's budget was put to the vote. As required in legislation a recorded vote was held and the outcome was:

FOR (2): Councillors Chris Mitchell and Narinder Sian.

AGAINST (18): Councillors Matthew Bedford, Ruth Clark, Harry Davies, Steve Drury, Stephen Giles-Medhurst, Tony Humphreys, Raj Khuroya, Chris Lloyd, David Major, Keith Martin, Sarah Nelmes, Kevin Raeburn, Paul Rainbow, Andrew Scarth, Roger Seabourne, Jonathon Solomons, Jon Tankard and Anne Winter.

ABSTAINING (10): Councillors Oliver Cooper, Stephen Cox, Andrea Fraser, Philip Hearn, Lisa Hudson, Joan King, Stephen King, Debbie Morris, David Raw and Ciaran Reed

Consequently the Green Group's budget proposal fell.

The Liberal Democrat Group's proposed budget was then put to the vote. In accordance with legislation a recorded vote was held and the outcome was:

FOR (20): Councillors Matthew Bedford, Ruth Clark, Harry Davies, Steve Drury, Stephen Giles-Medhurst, Tony Humphreys, Raj Khuroya, Chris Lloyd, David Major, Keith Martin, Chris Mitchell, Sarah Nelmes, Kevin Raeburn, Paul Rainbow, Andrew Scarth, Roger Seabourne, Narinder Sian, Jonathon Solomons, Jon Tankard and Anne Winter.

79 **APPOINTMENTS TO COMMITTEES**

Council considered a report setting out a review of the proportionality of the Council's committees following a change in the composition of the Council's political groupings.

Councillor Sarah Nelmes proposed that Councillor Harry Davies be appointed to the vacant Liberal Democrat Group seats on both the Licensing and Regulatory Committee and that Councillor Tony Humphreys was appointed Chair of the two Committees. The motion was seconded by Councillor Stephen Giles-Medhurst.

During the subsequent debate it was stressed that the Regulatory and Licensing Committees were cross party committees which had been well chaired by Councillor Roger Seabourne over the course of the municipal year to date. With Councillor Seabourne's term of office due to come to an end in May it was questioned why there was a need to change the chair at this stage of the municipal year. It was clarified that only political groups were automatically entitled to seats on committees; as Councillor Seabourne was the only independent councillor then he was not automatically entitled to a seat on any committee. In the event that a seat on a committee was to be made available to Councillor Seabourne then in order to maintain correct political proportionality across all committees the Conservative Group would have to lose a seat on the Audit Committee which could then be given to Councillor Seabourne.

Councillor Oliver Cooper subsequently moved the following proposed amendment to the motion that:

- i. the Conservative Group would give up a seat on the Licensing and Regulatory Committees reducing the number of seats held by the Conservative Group on each committee from three to two.
- ii. the independent councillor, Councillor Roger Seaborne be appointed to the now vacant seats on the Licensing and Regulatory Committees.
- iii. Councillor Roger Seaborne be appointed to the position of Chair of the Licensing and Regulatory Committees.

Councillor Cooper's amendment was seconded by Councillor Stephen Cox, put to the vote and carried. Councillor Sarah Nelmes subsequently withdrew the Liberal Democrat Group nomination of Councillor Tony Humphreys to the position of Chair of the Licensing and Regulatory Committees.

RESOLVED that:

- i. Councillor Harry Davies be appointed to the vacant Liberal Democrat seat on the Regulatory and Licensing Committees.

- ii. the Conservative Group give up one seat on the Licensing and Regulatory Committees reducing the number of seats held by the Conservative Group on each committee from three to two.
- iii. the independent councillor, Councillor Roger Seaborne be appointed to the vacant seats on the Licensing and Regulatory Committees.
