The Council welcomes contributions from members of the public to its discussion on Part I agenda items at Committee meetings. Contributions will be limited to one person speaking for and one against each item for not more than three minutes. Please note that in the event of registering your interest to speak on an agenda item but not taking up that right because the item is deferred, you will automatically be given the right to speak on that item at the next meeting of the Committee. Details of the procedure are provided below:

Members of the public wishing to speak will be entitled to register and identify which Part I report they wish to speak on from the published agenda for the remote meeting. Those who wish to register to speak must do so by notifying the Committee Team by e-mail 48 hours before the meeting. The first 2 people to register (1 for and 1 against) will be sent a link so that they can join the meeting to exercise that right. This will also allow the Committee Team to prepare the speaker sheet in advance of the remote meeting to forward to the Chair of the meeting.

In accordance with The Openness of Local Government Bodies Regulations 2014 any matters considered under Part 1 business only of the meeting may be filmed, recorded, photographed, broadcast or reported via social media by any person.

Recording and reporting the Council's meetings is subject to the law and it is the responsibility of those doing the recording and reporting to ensure compliance. This will include the Human Rights Act, the Data Protection Act and the laws of libel and defamation.
