**5. TO RECEIVE A PETITION UNDER COUNCIL PROCEDURE RULE 18**

The Committee are asked to receive a which requests the installation of CCTV camera equipment at the entrance to our street on the A404 – as explained in the petition details below. The petition has been signed by 104 residents.

Chestnut Avenue, and the surrounding roads in Chorleywood, have experienced a significant number of burglaries and car thefts/attempted thefts in recent years, and particularly over the recent winter period. These criminal acts have been at all times of day, and in some cases involved the use of weapons. As residents, we have been severely impacted by these events and live in fear that at some point somebody will end up getting injured or killed, leaving aside the constant fear of returning home to find our homes invaded/burgled, and treasured possessions stolen.

Chestnut Avenue is located close to junction 18 of the M25, making this road a particular target as it offers criminals easy access and escape routes.

After extensive consultation with the Police, Councillors, Hertfordshire County Council and Chorleywood Parish Council, we are seeking support from Three Rivers District Council for the implementation of CCTV cameras by the entrance to Chestnut Avenue, both to act as a deterrent to further criminal activity and also to improve the chances of apprehending the culprits if further activity occurs. After enquiries with Hertfordshire County Council, we understand that in order for CCTV to be installed on public roads, a Statutory Body is required to fund and maintain the cameras.
