The application is to vary the current premises licence to allow live amplified music outside in the garden area on Saturdays and Sundays, during the summer months (July – September) between 14:00 – 17:00. This would equate to approximately 13 weekends of outside performances.

The applicant is also seeking to remove the following restrictive conditions: "Annex 3 – Conditions attached after a hearing by the licensing authority on 23 November 2005

1. No more than two musical performers are permitted inside the premises at any one time.

2. No music, live or recorded, is to be played outside the premises."

The intention of removing these conditions is a) to be permitted to use the outside space at the premises for the performance of live music as applied for and b) to allow more than two performers inside the premises at any one time.

Valid representations have been received both objecting and supporting the premises licence.
