Financial Statements

- i. I have fulfilled my responsibilities as Section 151 Officer for the preparation of the Council's financial statements in accordance with applicable law and UK adopted international accounting standards, as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2024/25 (the 2024/25 Code), for being satisfied that they give a true and fair view and for making accurate representations to you.
- ii. I have complied with the requirements of all statutory directions affecting the Council and these matters have been appropriately reflected and disclosed in the financial statements.
- iii. The financial statements are free of material misstatements and misclassifications including omissions.
- iv. I have reviewed and approved all audit adjustments made in the financial statements. Any unadjusted misstatements identified during the audit are not considered to be material. (See appendix 1 for details of audit adjustments).
- v. Prior year adjustments have been made to the financial statements where required and these are appropriately disclosed in the financial statements. (See appendix 1 for details of such audit adjustments).

- vi. I have reviewed and approved all disclosures made in the financial statements and I am not aware of any other matters which require disclosure in order to comply with the requirements of UK adopted international accounting standards, as interpreted and adapted by the 2024/25 Code (A summary of the main disclosure changes is at appendix 1).
- vii. The Council has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- viii. I acknowledge my responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud and error, and I believe that I have appropriately fulfilled these responsibilities.
- ix. The methods, data and significant assumptions used by us in making accounting estimates, including those measured at fair value, are appropriate to achieve recognition, measurement and disclosure that is reasonable in the context of the applicable financial reporting framework. I am satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements.
- x. The Council has satisfactory title to all assets. The Council has no plans or intentions that may materially alter the carrying value and, where relevant, the fair value measurements or classification of assets and liabilities as at 31 March 2025 reflected in the financial statements.
- xi. Except as disclosed in the financial statements:
 - a. there are no unrecorded liabilities, actual or contingent
 - b. none of the assets of the Council has been assigned, pledged or mortgaged
 - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- xii. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of applicable law and accounting standards.
- xiii. All events subsequent to the date of the financial statements and which require adjustment or disclosure have been adjusted or disclosed.
- xiv. Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of UK adopted international accounting standards, and as interpreted and adapted by the Code.
- xv. I believe that the Council's financial statements should be prepared on a going concern basis. I do not expect the Council to demise in its current organisational form; however, my basis for going concern acknowledges that if that situation arose the services would be transferred to another body. I believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements.
