Targets – Key Performance Indicators

Ref	Targets*	Target 2024/25	Target 2025/26	Target 2026/27	Rationale for setting of target / changes to target
CP55	Number of ASB Case Reviews Received	5	5	5	Target set on perception – currently no Community Triggers year on year.
CP56	Number of Legislative Enforcement Actions taken for ASB	15	15	15	Target set on current year. ASB intervention and support is provided before enforcement.
CP48	Number of customers supported by the Healthy Hub	400	450	500	Increased numbers resulting from successful changes to the operational model of the hub
CP50	District carbon emissions reported as tCO _{2e} equivalent	-14% on previous year ~351675	-14% on previous year 302441	-14% on previous year 260099	To enable and inspire the district to achieve net zero by 2045 this level of progress is required
CP52	Council Operations Carbon emissions reported as tCO _{2e} equivalent	1585	1321	1057	To achieve net zero by 2030 these targets need to be met to ensure progress is being made to the final target

Service Volumes

Activity / Process	Projected annual volume for 2024/2025	Estimated annual volume for 2025/26	Notes / explanation for estimated change	Impact (both service and corporate level)
Number of open ASB Cases	70	90	The team are dealing with more complex cases including those with mental health, drug, alcohol, and domestic abuse behaviours.	
Number of people with mental health issues supported by the Community Support Service (Herts Mind Network)	160	160	Service is at capacity and operating a waiting list. No increase is possible without additional funds	
Number of victims of domestic abuse supported by the Domestic Abuse Casework Service.	100	100	The number of cases for the service has reduced due to a reduction in funding from TRDC this year. There have been 300 referrals for the service. The service is at capacity and operating a waiting list.	
Citizens Advice: Number of clients supported	6500	7000	Reduction on 23/24 due to increased complexity of clients. The same people are coming back with other problems. Expect this to increase due to cost of living	
Citizens Advice: Number of clients assisted with debt, Amount of debt written off Average amount per client of any debts written off.	2000 £450,000 £14,000	2500 £450,000 £15,000	Cost of living has significantly impacted on the type and levels of debt residents are experiencing. Projection has more than doubled.	
FOI volumes	600	600	Approximately 150 per quarter	Administrative support from CSC
Emergency planning – volunteer recruitment	20	20	Staff to be trained in responding to major incident	Could be short-term resource requirement

Key Risks to Service Plan delivery

1 = not likely/low Impact 4 = will definitely happen/major service changing impact

No	Description of Risk	With no Mitigation		Mitigation	With Mitigation	
		Likelihood (1-4)	Impact (1-4)		Likelihood (1-4)	Impact (1-4)
1	Loss of staff through illness or resignation	3	4	Staff wellbeing prioritised within the Council, support offered and staff achievement celebrated Regular 121 meetings and career progression support provided	2	3
2	Failure to meet targets in regard to net zero for Council operations by 2030, and implement climate resilience measures	4	4	Assisted by the Net Zero Living Programme form Innovate UK a financially modelled plan must be agreed which identifies the cost, the financial barriers and how to overcome them External funding bids made whenever available and suitable. Resilience Risk Register completed for council services	3	3
3	Failure to make progress towards district net zero 2045 target	4	4	Continue to actively encourage partners to develop net zero plans, pursuing social housing retrofit programmes. Expand the green economy so the district has the skills to deliver the work required. Through the Net Zero Living Programme establish a retrofit one stop shop for the able to pay Encourage community energy projects in community buildings including schools. Working with partners Develop a programme to encourage businesses to achieve net zero. Ensure resilience risk register actions are implemented to minimise impact of the changing climate to Three Rivers residents.	3	3
4	Staff capacity unable to cope with demand for services as consequence of Cost of Living issues	4	3	Strong partnerships working in place Post-Covid realignment of team roles and responsibilities to maximise capacity of establishment positions	3	2

5.	Failure to deliver projects without sufficient external funding in place.	3	4	Strong partnerships in place, but limited funding options following the end of additional funding support from covid. Bids in place to access new funds.	2	3
